

For your convenience *all year long.*

Moore Propane is proud to be the propane supplier to Canada's leading propane cylinder exchange program: PNE. The Blue Label brand.

BBQ Cylinder Exchange service is available through out our service area (including gas stations and building centres, hardware and retail stores).

New, pre-filled BBQ cylinders are available for purchase at many of these same retailers.

- **Join the Exchange Program - *The Ultimate Convenience***
- Pre-filled BBQ tanks available for your use
- When empty, simply Return to any Participating Retailer for exchange
- No waiting for a refill
- Every empty cylinder is visually inspected, washed or repainted before filling
- No BBQ tank for you to maintain or replace

- **Pre-filled BBQ tanks available for purchase**
- Refill at any Propane Refill Centre, anywhere
- Replace cylinder after 10-years of service
